

“SEK’KORE’BHET” ARK

This Ark operates within the VAULT OF SION at the “core” of the TELOS.AARKHARA. Five Sekhmet systems define and operate the circuitry between the 5 Arks. The Sekhmet systems can be seen as the Seraphimic Angels on the Biblical Ark of An. So what is occurring here is a combined movement of the Sekhmet Power and the Seraphim...MERGING (morphing) into a Sekhmet-Seriphim “Creature” (systemic in nature). More can be explored on this system in a future session. The NAME given for the 5-ark matrix is SEK’KORE’BHET (SKB). Suggest the Elesium review all info on the TELOS.AARKHARA.

SEK: Instrument of power discharge (like a battery or even a musical instrument - something that gives off vibrations)

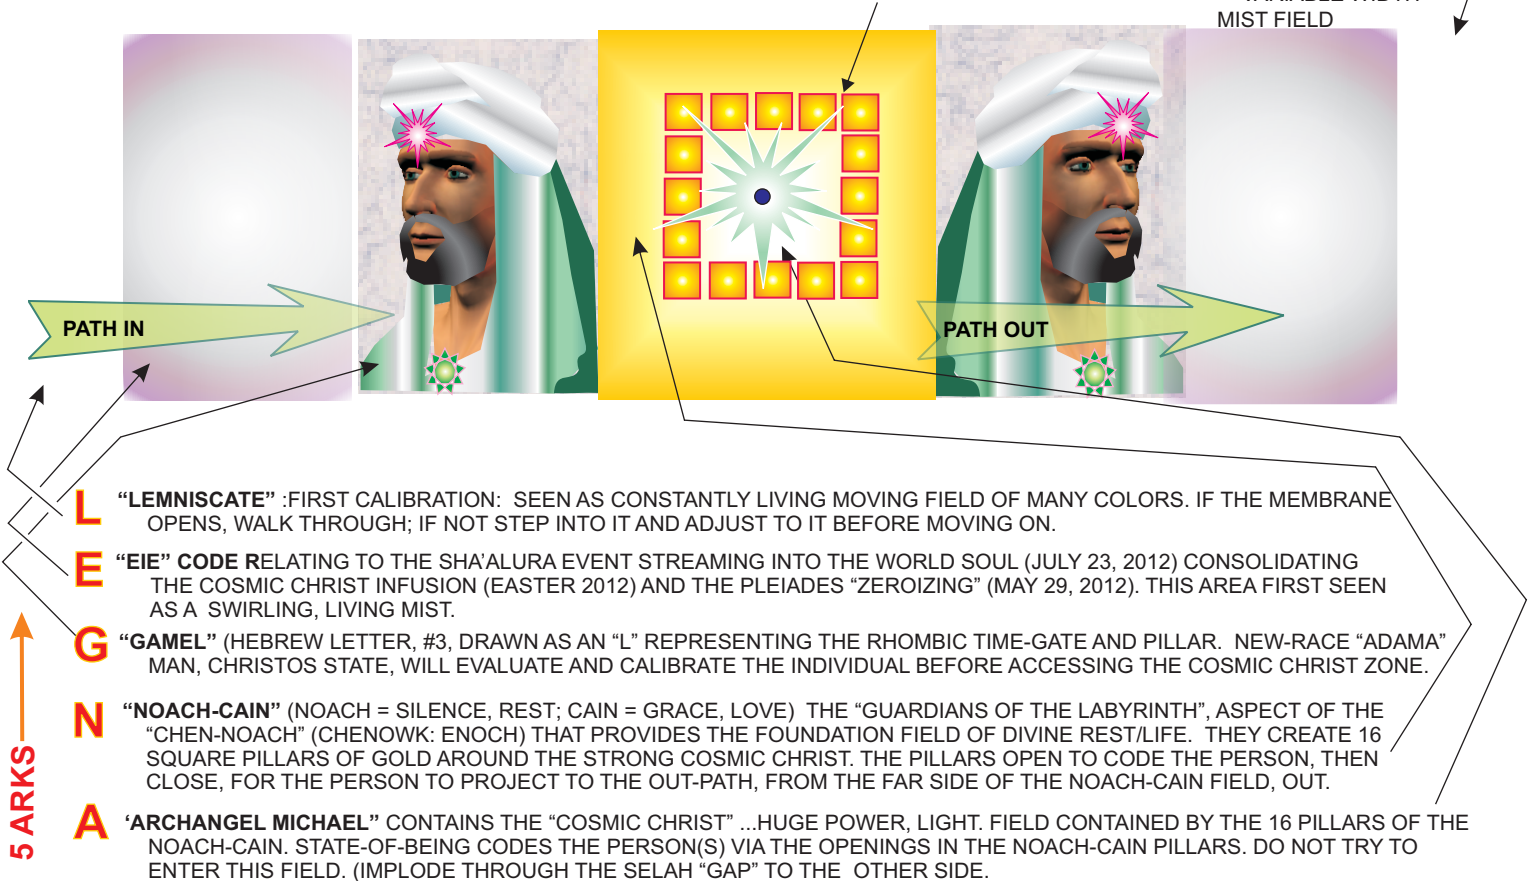

KORE: Vault, Chasm, Void, Mystery (essentially female polarity)

BHET: a continuum or path, sacred cord, umbilical cord, coherent light ray (laser)

THIS IS A SECTION OR “PATH” THROUGH 5 CUBIC ARKS CONCENTRICALLY NESTED IN 5 “SECTIONS” REPRESENTING 5 STATES OF BEING AND ENERGETIC FIELDS. EACH ARK IS PLATINUM WITH A CARNELIAN LETTER, ONE LETTER ON EACH.

THE LETTERS ON THE ARKS ARE “A - N - G - E - L” **16 SQUARE GOLDEN PILLARS; REMAIN OUTSIDE OF THE PILLARS.**

MEMBRANE,
VARIABLE WIDTH
MIST FIELD

THE “EIE” MEANS “I AM THAT I AM” – EYE.AM.EYE.AM (THE “i” HERE EXPRESSES THE “IAM” - THUS “i” AND EYE.AM.EYE.AM IS A PULSE – A SOUND – A RHYTHM. IT IS EMITTED BY EVERY LIVING CREATURE THAT HAS A SELF-IDENTITY...ALL HIGHER MAMMALS. EVEN THOUGH HUMANS CONTAIN THE SEAL OF THE I AM AND OTHER MAMMALS DO NOT (THE EXCEPTION BEING CETACEANS WHO HAVE THEIR OWN VERSION OF THIS SEAL), SUCH MAMMALS AS APES ELEPHANTS, FELINES, WOLVES, DOGS, ETC HAVE A RESONANCE WITH THE EAEA FIELD, AND THUS SO LONG AS HUMANS ARE SHARING THEIR WORLD AND EMITTING THAT FIELD, SO THEY HAVE A RESPONSE TO IT AND ARE THUS INCLUDED PERIPHERALLY WITHIN IT.

TELOS.AARKHARA: Capstone on the 'Eye of Ra' Guarded by the Lion-Headed Sun Lords of Sirius

The Telos.Aarkhara is a repository of the Light Mathermatic harmonics for the hierarchical plan of earth and it's cosmic reality, which is positioned on the tele-plane linking various realities related to Earth's "scroll" or spiritual time line (progression). It forms synergetic connections between various key energy points on the earth. The Telos.Aarkhara is the 'capstone' over the Universal Tear exposing the 'Eye of Ra'.
