

**INVESTIGATING THE CORRESPONDING STAR AND GRID LINKS**

ALL NUMBERS ARE FROM THE BRAILLE SYSTEM; "L- FORMS" CUE NEXT FIGURES AS NUMBERS. FOLLOWING ARE INTERPRETED ASSUMPTIONS:

1. ALL THE "192's" TELL US THAT THIS FORMATION IS A BASE FOR FOLLOW-ON SYSTEMS. "192" in Hebrew is "qatsab: to clip, chop, cut down, shape (as if cut out), base (as if there cut off), bottom, size." (ref: STRONG'S CONCORDANCE). The other letters, numbers should also use Hebrew and the protosinitic glyphs (an "L" relates to the letter Yud and Gamel, #3, drawn as an L and is an L-Gate or Time Gate/Pillar...etc.). The format in the central square is a dual-dipole Dione-Couplet... extensively used in scripture and also our Light Groups. The "B" (beth, #2) relates to a Home (Shekinah), Temple, etc, drawn as a square with a door in it.
2. The large ring symbolizes the Planet. The Earth, at this point is being hugely upgraded as a TEMPLE. The large square will be the base of a TEMPLE PYRAMID using the Great-Pyramid model and RESHEL formats upgraded with the "IKi-Nubai" radical Reshel expansion.
3. The 3 disks in the outer ring represent: (1) the CANIS MAJOR constellation, (2) the L-FORM being a Time-Gate/pillar, (3) the L-FORM also indicating that all in the ring has the value of a NUMBER... there will be a series of numbers as the system evolves.
